# CELEBRITY CRUISES INOVATION

## THE CELEBRITY EDGE - A DESTINATION ON ITS OWN

A ship designed to leave the future behind.

Celebrity Edge® marks a turning point in our approach to ship design. From the very first sketches to experiencing those designs in a virtual reality setting, every step was done in 3-D. From the incredible new Magic Carpet® to the private plunge pools in our new 2-story Edge Villas, we could design the most refined ship at sea. The unique outward facing design breaks from traditional ship design. Aboard, you'll feel more connected with the sea and the places you'll visit in a variety of spaces ranging from our Edge Staterooms with Infinite Verandas®, to the reimagined, terraced pool deck that offers even greater views of the destinations and shimmer of ocean.

### Where Wonder Awaits®

For modern adventurers, travel isn't a spectator sport. It's about being fully immersed in new destinations and cultures without sacrificing comfort and style. Celebrity Cruises® knows this. After all, we set the standard for luxury travel. And now we've made the destination experience even more immersive, starting right on board.

From its unique outward-facing design to the industry-first Magic Carpet® that reaches heights of 13 stories above sea level, Celebrity Edge® breaks from traditional ship design. Here, predictability and convention are stripped away, returning luxury sea travel to its very essence: simple, beautiful, imaginative encounters that leave you relaxed, refreshed, and inspired by the world around you.

### Edge Stateroom with Infinite Veranda

The most transformational aspect of our stateroom design is the introduction of the Edge Stateroom with Infinite Veranda®, where with the touch of a button, your entire living space becomes the veranda, letting you walk right out to the water's edge.

These staterooms feature the latest in design and technology, and they're 23% larger than our award-winning Solstice® Series veranda staterooms. With the touch of a button, blur—even erase—the boundaries between inside and outside living space, your entire living space becomes the Veranda. This brilliant innovation gives you luxurious open air access to the sea, whenever you wish. Total living space 243 sq. ft. Veranda 42 sq. ft

### In-room Automation

Control everything from lighting to shades to temperature—with a simple tap on a touch screen.

### Celebrity Cruises App

Use your own personal smartphone for keyless entry, controlling the TV, and in-room automation.

### King-sized Bed

Relax on a luxurious, breathable, hypoallergenic, eucalyptus-treated, ecofriendly Cashmere Mattress with Celebrity eXhale bedding.

### Bathroom

Enjoy room to roam—10% more room than our Solstice Series—with a larger modern shower, custom products, and 100% cotton towels and robes.

### Edge Single Stateroom with Infinite Veranda

The Edge Single Stateroom with Infinite Veranda is for modern travelers who love to explore the world on their own. It's spacious, stylish, and perfectly proportioned for travelers seeking luxury. Total living space 184 sq. ft. Veranda 42 sq. ft
