JUST GET IT DONE QUILTS

KAREN BROWN - Nearly 15 years ago Karen began to quilt to escape from work stress. Beginning with minor knowledge of quilting, it wasn't until Karen joined a stitch'n'chat group with her cousin that she gained confidence to finish her first sampler quilt. With the quilt top completed, she wanted to utilize all the scraps and orphan blocks, thus creating her first AFTERQUILT improv project.

Karen realized her tastes were more modern, so she joined the Toronto Modern Quilt Guild. She has participated in two Quiltcons, making numerous friends along the way. She also began making more complicated quilts; gaining new skills with each project. In 2018, Karen volunteered to make a video for a guild block lotto challenge. Even though she didn't know how to film and edit, she was committed to the process and teaching herself filmmaking. These videos lead to her popular YouTube channel, Just Get it Done Quilts which is all about helping quilters decipher all the rules and mix messages they receive.

Today, Just Get It Done Quilts has over 320k subscribers and 15 million views. Weekly, she shares on her channel her tips, tricks and strategies to help you tidy up your sewing space, use up your stash and deal with your UFO's.

She also has expanded her channel with an interview series Karen's Quilt Circle bringing in guests from around the world. They share their expertise, their challenges and of course their love of quilting. In this rapidly changing world, Karen is committed to help fellow quilters find the calm in their hobby, recharge and empower them, so they can be the best quilter they can be.

HAWAIIAN QUILTING WITH POAKALANI & CO.

CISSY SERRAO AND RAE CORREA

For over thirty years Rae Correa and Cissy Serrao has been teaching the traditional art of Hawaiian Quilting by continuing the class that was founded by their parents John and Althea Poakalani Serrao in 1972. They live by their family's mission statement, to preserve, protect and appreciate the cultural legacy of Hawaii's quilting tradition and to teach it to anyone who wants to learn.

Besides teaching a weekly class Rae and Cissy have expanded to Zoom classes as well as 2-3-day workshops. Rae usually teaches the new and beginning student and her teaching techniques makes learning Hawaiian Quilting not only easy but fun. Cissy teaches mostly the advance students when they are ready to start the larger wall hangings and full-size quilts.

Both sisters are sought after not only for their teaching skills but their knowledge in the history and tradition of this unique art, and they are also recognized for their expertise in all things "Hawaiian Quilting." If you have the opportunity to be part of their class, you're not only going to learn the techniques of Hawaiian quilting, but you'll be enveloped in what makes Hawaii unique by experiencing Hawaii's values system of hospitality and aloha.
