JUST GET IT DONE QUILTS

KAREN BROWN - Nearly 15 years ago Karen began to quilt to escape from work stress. Beginning with minor knowledge of quilting, it wasn't until Karen joined a stitch'n'chat group with her cousin that she gained confidence to finish her first sampler quilt. With the quilt top completed, she wanted to utilize all the scraps and orphan blocks, thus creating her first AFTERQUILT improv project.

Karen realized her tastes were more modern, so she joined the Toronto Modern Quilt Guild. She has participated in two Quiltcons, making numerous friends along the way. She also began making more complicated quilts; gaining new skills with each project. In 2018, Karen volunteered to make a video for a guild block lotto challenge. Even though she didn't know how to film and edit, she was committed to the process and teaching herself filmmaking. These videos lead to her popular YouTube channel, Just Get it Done Quilts which is all about helping quilters decipher all the rules and mix messages they receive.

Today, Just Get It Done Quilts has over 320k subscribers and 15 million views. Weekly, she shares on her channel her tips, tricks and strategies to help you tidy up your sewing space, use up your stash and deal with your UFO's.

She also has expanded her channel with an interview series Karen's Quilt Circle bringing in guests from around the world. They share their expertise, their challenges and of course their love of quilting. In this rapidly changing world, Karen is committed to help fellow quilters find the calm in their hobby, recharge and empower them, so they can be the best quilter they can be.

GNOME ANGEL

ANGE WILSON - Ange is passionate about quilting and loves rainbows, fussy cutting and Disneyland! She also has a weakness for gnomes, processed sugar and hugs from her two favorite boys. She has been quilting for over 10 years and considers herself still a beginner; to always be learning is a true joy in life.

Ange started GomeAngel.com in 2008 to inspire people to follow their dreams through the sharing of her passion for being creative, seeing the brighter and funnier side of life and answering the age old question, "How hard can it be?"

Ange's a born again Quilter. She's always lusted after quilts when she's seen them in movies, television or other people's homes but she flunked out of Home Economics in High School so the thought of making a quilt scared her witless. (Who knew you could get -3 out of 100 on a sewing exam!) Her Nana gifted her her sewing machine and it made her think that maybe she should make a quilt. In 2010 she made her first patchwork quilt top. Followed by a quilt for Nana in 2011, she made her one because she thought that was the least she could do for the woman that made her mismatched panel shorts for teenage years! This experience had Angie enroll herself into a beginners quilt course. In 2012 she entered the Canberra Quilters annual quilt exhibition, and it was the catalyst for awaking a passion she never had about anything else. In 2013 she made a commitment to make a quilt top a month and it was the best thing she could have done, she is now obsessed with fabrics, growing a massive to do list of quilt patterns and meeting some of the most wonderful, inspiring and creative people she has ever had the pleasure knowing.

The greatest compliment she can receive is when someone tells her that she has inspired them and given them the courage to try something they've been dreaming of doing. Her mantra is; "Life's too short to die wondering....and besides what's the worse thing that could happen?"

Gnome Angel provides curated quilting supplies for the joyous creative. Fabric and notions personally selected by Ange Wilson for creatives that find abandonment and joy in their craft.

Through the sharing of her own creative journey as well as the fabric, tools and notions, she has found and strives to make your creative journey unique and personal to you!
